How involved do you want me to be?

Service Level 1 "I just need help coordinating / organizing"

Service Level 2 "I need help coordinating **and** I need you to handle part of it"

Service Level 3 "I need you to handle all of it"

I'm happy to provide quotes for stand-alone services
(i.e. favors, decorations, catering)

Packages start at \$200 and are customized to your specific needs.
Pricing does not include hard cost for executing the services.

Now that most of the details are out of the way, let's start
